

Every™ Fact.

QuickServe® Online

Eleven Million Engines. One Web Site.

The right information is priceless. Today, things change so rapidly you can't afford to take a chance on outdated information. Paper manuals and CD-ROMs can't always keep pace with ever-changing parts and service information. You need the most current information – continuously updated – every minute of every day. The Internet is the answer. QuickServe® Online is your complete reference for Cummins parts and service information on the Internet.

Information At Your Fingertips.

QuickServe Online (quickservice.cummins.com) gives you easy access to parts and service information for over 11 million Cummins engine serial numbers, including over one million related documents, available in 23 languages. Search functions are easily performed using your engine serial number or engine family. Exploded-view diagrams help identify repair parts for ordering purposes. QuickServe Online always puts updated information at your fingertips.

The parts section includes:

- Parts catalogs, including
 - Complete parts listing by engine serial number
 - Exploded-parts diagrams
- Service parts topics
- Engine dataplate information
- Online pick list for placing orders
- Cummins ReCon® part number cross-reference
- A related parts guide
- Part number supercessions

The service section contains:

- Operation and maintenance manuals
- Service bulletins
- Owner manuals
- Shop manuals
- Troubleshooting and repair manuals
- Temporary Repair Practices (TRPs)

In the warranty section, authorized users will find:

- Warranty manuals
- Standard Repair Times (SRTs)
- Campaigns and alerts
- Link to the RapidServe™ web site for filing claims online

Support features include:

- Publications catalog
- Service tools catalog
- Service tools instructions
- Parts and service promotions
- Product information

QuickServe Online is constantly being updated with the latest information. So you always have the right part number or latest repair procedure. It's available 24 hours a day, 7 days a week, wherever you have Internet access. QuickServe Online is always there with the information you need to ensure your repairs are done right. Every time.

Discover What Every Cummins Service Shop Already Knows.

Cummins QuickServe Online is the fastest, most accurate and cost-effective way to keep service work moving. Not only will it enhance your productivity – it will be there when you need it – 24 hours a day, 7 days a week.

Whether you have a large fleet, a small business or are an owner/operator; whether your equipment is automotive or off-highway, QuickServe Online brings you the right information, right now. Visit QuickServe Online and discover the benefits of having genuine Cummins parts and service information at your fingertips.
